ARE YOU GOOD WITH PEOPLE? DO YOU WANT TO JOIN ONE OF MISSISSIPPI'S FASTEST GROWING COMPANIES?

The Candidate

Spartan Mosquito seeks a candidate with interest and / or experience in managing social media accounts, customer communications, and writing. Candidates should be prepared to work with multiple social platforms, email, phone calls, and other customer service tools with light project coordination. Proficient communication, writing, and editing skills are integral to this position along with a willingness to apply those skills in a customer service environment. Some time may also be spent at the Spartan facility.

Qualities and Qualifications

- Great communication skills
- Problem solving skills
- Able to take initiative and do work thoroughly and efficiently
- Preference given to candidates familiar with Facebook and other popular social media platforms.
- Located in the Hattiesburg, MS area
- Ability to work remotely

About Spartan

Spartan Mosquito is the manufacturer of the Spartan Mosquito Eradicator. The Spartan Mosquito Eradicator is the most effective, longest lasting, continuous mosquito control system on the market. Spartan is one of Mississippi's fastest growing companies, and their product is currently sold across the United States in retail stores and online.

Spartan has a responsive customer base and offers an often fast-paced work environment.

Full-time contract openings are available.
